Dialogue ideas

I've never met a happy bully (see song based on interview with Dr. Peter Jaffe ... researchideas.ca/jaffe-bullying.html)

I'm afraid
..... I call you names
To leave my house
..... I hit you as you walk by
To make friends
..... I see your tears
To go to school
..... Where is my empathy?
It's not safe
..... Why don't I feel it?
It's not safe
..... Why don't I feel it?

Silence, silence, silence
Bullying, abuse
Silence, silence, silence
Feed on silence

I live in the dark
..... I see you trying to hide
Foul ugly language
..... I see your fear
Pushing and hitting
..... I feel strong but
Tension and fear
..... I'm not happy
I can't learn like this
..... Why am I not happy?
I can't learn like this
..... Why am I not happy?

I've never ever met
A happy bully
I've never ever met
A happy bully

I see the bullying
I say nothing
I'm afraid
So many bystanders
Doing nothing to help
Doing nothing to help

I'm breaking the silence
I'm naming the problem
I'm saying it out loud
I'm calling it what it is
The problem is you
The problem is you

Bully, bully, bully
You're a bully
Bully, bully, bully
You're a bully

I don't want to be afraid
I want to hear laughter
Feel my freedom
Out of your shadow
Live in the light
Live in the light

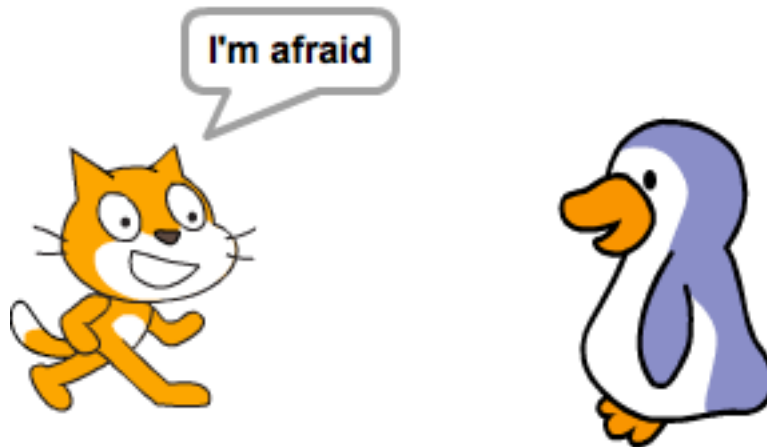

I'm breaking the silence
I'm naming the problem
I'm saying it out loud
I'm calling it what it is
The problem is you
The problem is you

Bully, bully, bully
You're a bully
Bully, bully, bully
You're a bul
